of new Convention & EDC Treaty.

possibilities, final details of change as  
agreed with ~~the~~ <sup>the</sup> Ambassador-in-Chief.  
MINUTES

Copies of despatch and ~~and~~ enclosures to Service  
Departments.

J.I.C. should also be shown a copy of this.

We don't seem to need any further explanations  
on this; the terms of the new Charter for Brixnis  
(Flag A) appear to be quite satisfactory from our  
point of view and are, except for the new  
instructions with regard to the chain of responsibility,  
identical with the terms of the old charter. (Flag B)  
Perhaps P.U.S.D. would like to comment.
